

Child Protection (Safeguarding) Policy

Our tennis club aims to create an enjoyable environment for all juniors who wish to take part in tennis or other sport and social activities at the club.

We believe that children and young people have the right to be safe, secure and free from threat.

We believe that young people have the right to be treated with respect, and to have their concerns listened to and acted upon.

We will ensure that the club provides for the needs of children through specific programmes, designated facilities, and safe practice.

We have procedures in place to address poor practice, and to help any young person who appears to be at risk, or appears to be the victim of abuse. We will offer help and support when a child or young person tells us that they are affected by these issues.

We will ensure that all those working with children are made aware of the LTA code of conduct for people working with children in tennis, and are required to follow it.

The club has a Welfare Officer who is specifically responsible for children, young people and child protection.
